COMMERCIAL.

Aside from the opening of Renfrew and Canton dress-style ginghams for the coming season, the prices of which are 9c per yard, little of interest can be said of the dry goods trade. Business is only moderate, even for the duli season. Groceries are doing a fair business, and prices remain unchanged. Dried fruits, canned goods and fish are quiet, at previous quotations. Drugs, tinners' supplies and leather have developed nothing new, either in prices or business. Eggs are dull and unchanged.

We quote as follows from the Board of Trade circular:

Wheat-Local circles show a decidedly firmer tone, and quotations both for spot and futures are several notches higher. All offerings will readily bring full quotations, but there is a notable absence of spot stock. New York at noon was 13/4c higher; Baltimore, 13/c firmer, and Chicago is 134c higher likewise.

Corn-Scarce and in active demand. Under light receipts buyers will pay full prices for all that is offered. Futures quiet. Seaboard generally higher; New York is %c firmer; Baltimore, %c stronger, while Chicago is quoted as steady.

Oats-Higher and scarce. The following table shows the receipts of grain at this point for the past twen ty-four hours;

BRITISH GRAIN TRADE REVIEW. LONDON, Jan. 5.-The Mark Lane Express, in its weekly review of the corn trade, says: "The autumn sown acreage of 1884 is from 10 to 15 per cent. below that of 1883. The young crops continue to show a healthy and promising appearance. Farmers' deliveries are greatly diminished. enabling holders to obtain from 1s to 2s, and sometimes 3s a quarter advance. Sales of English wheat for the past week were \$5,021 quarters at 31s 11d; against 35,136 quarters at 89s in the corresponding week of last year. Flour, 6d@10s higher. Barley, 19 higher Foreign wheat 1@2s dearer. The market wa against buyers. It is evident that waterside stocks have been reduced to their normal level. Foreign flour generally is higher; American 1@2s higher. Quotations for maize unaltered. Barley firmer. Oats steady and slow. Cargoes off the coast materially advanced. One cargo of American red winter per sail brought 34s per quarter. There were four arrivals and seven sales. Two cargoes remained, one of which was from California.
Trade forward is livelier, and there was large business at advanced rates No. 1 California afloat is worth 37s a quarter, which represents an advance of 2s. At to-day's market wheat was excited There was a general advance of 2s@2s 6d. Some sorts advanced 3s, and there was a moderate basiness transacted. Flour is generally 2s dearer. American flour is 2s 6d dearer. Maize is scarce at 6d@ls higher.

A THRILLING STORY.

As Told by a Merchant in Troy, N. Y.—A Surgical Operation Avoided — How a Father, Wife and Daughter Escaped an Awful Doom. Of the hundreds of accounts of remarkable

cures wrought by Dr. KENNEDY'S FAVORITE REM-EDY, none have appeared so purely astonishing as the following: The persons mentioned are among the most highly respected in the city of Troy, and the story as told by the father will prove interesting to all our readers.-ED.

TROY, N. Y. Dr. Kennedy, Rondout, N. Y .:

DEAR SIR-My daughter was afflicted with a severe growth of Fungus. To remove it we had resorted to almost every remedy and consulted the most prominent surgeons and physicians. Dr. of Troy, said that a surgical operation would be necessary, but fearing fatal results I hesitated. Some of the physicians claimed that it was caused by one thing and some by another. The Fungus was prominent and disfigured her looks. Having heard of Dr. Kennedy's FAVORITE REMEDY working so thoroughly on the blood I determined to try it, to see if this medicine could do what doctors had failed to do and surgeons had hardly dared to undertake. I can say in truth that the result of this trial was the complete cure of my daughter of this dreadful mal-ady. Dr. Kennedy's FAVORITE REMEDY alone effected it. We used nothing else for other things had completely failed. My daughter to-day enjoys vigorous health, and to Favorite Remedy alone is the credit due. My wife also was very poor in health, due to liver difficulty with which she had suffered a long time until she became very much reduced in flesh. A trial of Kennedy's Favorite Remedy has resulted in the compiete restoration of her health, which she had not enjoyed for years. She had gained in flesh and strength, and thus secured perfect health, and this is DUE ENTIRELY TO DR. KENNEDY'S FAVORITE REMEDY. As for myself, being engaged in the grocery and commission business, which makes it necessary for me to test the quality of different articles, like butter, etc., my sense of taste and my stomach were seriously injured. Everything seemed to nauseate me, and fearful of dyspensia in its most severe form, I tried Dr. KENNEDY's FAVORITE REMEDY. The first bottle afforded immediate relief, and from that day to this I can say that Favorite Remedy has restored me to perfect bealth. These are facts which I claim prove that Dr. Kennedy's Favorite Remedy is the best medicipe in the world for those afflicted with the above difficulties. If any one in the city of Troy doubts the truth of these statements let him come to me and I will prove them. I have recommended Favorite Remedy to hundreds and with the same good results.
Yours, etc., WILLIAM WINDSOR.
